

DIXIE & BASS™

RESERVE CABERNET SAUVIGNON 2018

THE TALL, TALL TALE OF DIXIE & BASS

Stories abound of unlikely duos who develop trust and harmony, and this inspired us to create Dixie & Bass. Here we have the unlikely friendship of a dog and a bird who come to learn they're more similar than they are different.

Our wine, like Dixie & Bass, is more than meets the eye and best enjoyed with your Dixie or your Bass.

MAGICAL SOILS

Red Mountain AVA, the most prestigious wine region in Washington State. Red Mountain harvests some of the state's most sought-after wine grapes. This very warm site, where growing season daytime temperatures average 90 degrees, gets only five inches of rain each year.

TASTING NOTES

Classic Cabernet presents with loads of black cherry, savory herbal notes and hints of mocha on the nose. Well-rounded tannins. Medium weight on the entry to full-bodied on the mid palate. Finishes smooth.
