

# Aquilini

CABERNET SAUVIGNON | 2019  
RED MOUNTAIN, WA

## STORY

Red Mountain is an unusual gift to the craft of winemaking. It's glacial history and Mother Nature's guiding hand have made it a grape growing region with profound potential. Aquilini wines are the product of the rare confluence of these effects with the old world craft and heartfelt passion they bring to the art of making extraordinary wine. Driven by passion. Nurtured by Family. Inspired by Red Mountain.

## WINEMAKING

This wine is composed of 100% old vine Red Mountain Cabernet Sauvignon. Fermented in Taransaud oak fermenters and aged for 28 months in 78% new French Oak.

## TASTING NOTES

Dense and diverse aromatically this wine opens black cherries, violet, and black currant. Followed by wet granite, roasted cacao, sage brush and tobacco leaf. Generous on the palate and the dark berry and stone fruit character is balanced by forest detritus and beautiful oak finish. The structure is dense with classic mouth-filling Red Mountain tannins, tension and a drawn-out acid and mineral finish. This wine is designed for longevity in the cellar but can be enjoy young with a lengthy decanting.

## PERFECT PAIRINGS

Perfect paired with a rack of lamb, prime rib, or filet mignon.
