Tasting Notes:

Sparkling Margarita

Tequila mingled with flavors of fresh ginger, lending a depth of warm spiciness paired perfectly with flavors of lush lime.

Sparkling Gin & Tonic

Gin, by nature brimming with botanicals, lends the subtle fragrance of juniper. Enlivened with generous citrus notes of pink grapefruit and finished with a hint of rosemary garnish.

Sparkling Vodka Collins

Clean, crisp and fresh from the garden flavors of cucumber, with notes of a zippy lemon squeeze. A subtle garnish of lemongrass is our surprise twist.
