

## 2020 CABERNET SAUVIGNON

RED MOUNTAIN, WASHINGTON

### STORY

There's a theory that says to become truly accomplished at something it takes at least 10,000 hours of practice. This holds true for winemaking, too, where in our case the hours are counted in decades, and one thing is undeniable: there are no shortcuts.

### WINEMAKING

Grapes were delicately hand picked, destemmed and fermented on the skins for three weeks before being aged for 20 months in a mixture of New American and French Oak.

### TASTING NOTES

Black cherry, plum, warm vanilla and espresso bean on the nose. Huge entry on the palate leads to a rich, dense mid palate with round, chewy tannins. Long finish driven by black fruit notes and hints of toasted oak.

### PAIRINGS

Pairs with red meat including prime rib, New York strip and filet mignon alongside peppery sauces.

### TECHNICAL NOTES

Appellation: Red Mountain

Composition: 88% Cabernet Sauvignon, 4% Petit Verdot, 3% Cabernet Franc, 2% Malbec, 2% Merlot, 1% Syrah

Aging: 20 months in 15% New French Oak and 15% New American Oak

Fermentation: Stainless steel

Alcohol: 15.0%

Acidity: 5.6 g/l

pH: 3.87
