

ROAMING DOG™

Cabernet Sauvignon 2018

TRUE STORY OF BLUE

A scruffy hound found in the vineyards four years ago, Blue is now part of our winemaking family. From sunup to sundown, he tags along with the vineyards team as they work. Blue's adventures are as legendary as our wine and we look forward to sharing both with you.

THE EXTRAORDINARY COLUMBIA VALLEY

The Columbia Valley is home to the most storied AVA's in Washington state. Predominantly south-facing, Washington's largest viticultural region couples warm sun and great drainage, thanks to the Columbia River, to produce wines that are fruit-forward, yet retain some of the structure of European wines.

TASTING NOTES

Red and black cherry, warm vanilla and hints of baking spices. Round and plush on the palate with loads of ripe red fruit, finished by toasty oak.
