

2021 SYRAH

RED MOUNTAIN, WASHINGTON

Displaying an opaque core, the 2021 Syrah Red Mountain is bold and firm, offering notes of roasted espresso bean, subtle hints of oak and a generous, black-fruited frame. Full-bodied and firm, tannins grip the palate, showing the bottle needs one more year in the cellar to fill its shoes. It ends with a firm, mineral-laced finish. Decanting is recommended. The Syrah rested for 20 months in 40% new French oak. Only 391 cases were produced.
