

DIXIE & BASS™

2021 | RED BLEND
COLUMBIA VALLEY, WASHINGTON

STORY

A reoccurring theme woven throughout history's most beloved narratives is the tale of the unlikely duo. The opposing personalities that unexpectedly complement each other to create something even greater than the sum of their parts. There is implicit beauty in opposites attracting and it inspired us to create a wine that embodied this anomaly. We felt that a dog and a bird made the unlikeliest of friends and from there, Dixie and Bass was born.

TASTING NOTES

Bright and effusive, this wine opens with vibrant aromas of red cherry and cranberry, intertwined with subtle hints of dried herbs and baking spices. On the palate, this complexity continues with a harmonious blend of red fruit flavors, framed by round tannins. The mid-palate is pleasing and well-structured, leading to a long, fruit-driven finish.

PAIRINGS

Enjoy with a grilled beef steak, aged cheeses, mushroom dishes, or dark chocolate desserts to enhance its rich, complex flavors.
