

ROAMING™ DOG

2023 | *Rosé*

COLUMBIA VALLEY, WASHINGTON

STORY

As best friends go, a good dog is tough to beat — like Blue, mascot of Roaming Dog Wines and official squirrel chaser of our vineyard. Seems like just the other day that a couple of our field hands spied this scruffy old hound traipsing among the vines, with his tail on high-wag and an expression that said, “I’m home.”

So, when we needed a name for our wine, Roaming Dog just seemed to fit. Crafted exclusively with grapes from Washington’s panoramic Columbia Valley AVA, they’re easy going with just the right notes of fruit and oak and of course, as good of a companion as Blue.

TASTING NOTES

Pomegranate, citrus and hints of fresh herb on the nose. Round and inviting on the palate, with hints of bright red fruit, finishing clean with vibrant acidity.

PAIRINGS

Perfectly paired alongside an arugula salad, vegetable pizza, or soft cheeses like brie and goat cheese.
